AFFIDAVIT

I, [Name of Affiant], of legal age, [Civil Status], [Nationality], and residing at [Address of Affiant], after having been duly sworn in accordance with law, do hereby depose and state that:

1. [Select one, delete the other:]

[If a sole proprietorship:] I am the sole proprietor or authorized representative of [Name of Bidder] with office address at [address of Bidder];

[If a partnership, corporation, cooperative, or joint venture:] I am the duly authorized and designated representative of [Name of Bidder] with office address at [address of Bidder];

2. [Select one, delete the other:]

[If a sole proprietorship:] As the owner and sole proprietor, or authorized representative of [Name of Bidder], I have full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached duly notarized Special Power of Attorney;

[If a partnership, corporation, cooperative, or joint venture:] I am granted full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached [state title of attached document showing proof of authorization (e.g., duly notarized Secretary's Certificate, Board/Partnership Resolution, or Special Power of Attorney, whichever is applicable)];

3. [Name of Bidder] is not "blacklisted" or barred from bidding by the Government of the Philippines or any of its agencies, offices, corporations, or Local Government Units, foreign government/foreign or international financing institution whose blacklisting rules have been recognized by the Government Procurement Policy Board, by itself or by relation, membership, association, affiliation, or controlling interest with another blacklisted person or entity as defined and provided for in the Uniform Guidelines on Blacklisting;

4. Each of the documents submitted in satisfaction of the bidding requirements is an authentic copy of the original, complete, and all statements and information provided therein are true and correct;

5. [Name of Bidder] is authorizing the Head of the Procuring Entity or its duly authorized representative(s) to verify all the documents submitted;

6. [Select one, delete the rest:]

[If a sole proprietorship:] The owner or sole proprietor is not related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

[If a partnership or cooperative:] None of the officers and members of [Name of Bidder] is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

[If a corporation or joint venture:] None of the officers, directors, and controlling stockholders of [Name of Bidder] is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

7. [Name of Bidder] complies with existing labor laws and standards; and
8. [Name of Bidder] is aware of and has undertaken the responsibilities as a Bidder in compliance with the Philippine Bidding Documents, which includes:
 - a. Carefully examining all of the Bidding Documents;
 - b. Acknowledging all conditions, local or otherwise, affecting the implementation of the Contract;
 - c. Making an estimate of the facilities available and needed for the contract to be bid, if any; and
 - d. Inquiring or securing Supplemental/Bid Bulletin(s) issued for the [Name of the Project].
9. [Name of Bidder] did not give or pay directly or indirectly, any commission, amount, fee, or any form of consideration, pecuniary or otherwise, to any person or official, personnel or representative of the government in relation to any procurement project or activity.
10. In case advance payment was made or given, failure to perform or deliver any of the obligations and undertakings in the contract shall be sufficient grounds to constitute criminal liability for Swindling (Estafa) or the commission of fraud with unfaithfulness or abuse of confidence through misappropriating or converting any payment received by a person or entity under an obligation involving the duty to deliver certain goods or services, to the prejudice of the public and the government of the Philippines pursuant to Article 315 of Act No. 3815 s. 1930, as amended, or the Revised Penal Code.

IN WITNESS WHEREOF, I have hereunto set my hand this __ day of __, 20__ at _____, Philippines.

F. Delivery/Completion	10
G. Manpower Requirement	10
H. Warranty	10
I. Payment Scheme	10

A. Background

In -2024, the Integrated Waste Management/Pollution Control Division of the City Environment Management Office (CEMO) proposed acquiring advanced equipment, including an Advanced Waste Solution Equipment with Pollution Control Device, Plastic Shredder, Plastic Extruder with Environmental Pollution Control Device, Glass Pulverizer, Hollow Block Machine, and Mortar Mixer. This initiative aligns with the Ecological Solid Waste Management Act of 2000 (R.A. 9003), aiming to enhance the city's solid waste management.

To ensure the safe operation of these machines, it is necessary to Install a Powerline that is compatible to the required power supply for the protection of the equipment. This project will strengthen the city's waste management system and contribute to environmental sustainability.

B. General Objectives

The primary objectives of the project are:

- To facilitate the LGU's compliance to the R.A. 9003 or the Ecological Solid Waste Management Act of 2000
- To employ a sustainable solution to Solid Waste Management issues, thereby addressing DILG's parameter in the application of the Seal of Good Governance
- To promote environmental protection by sustainable Solid Waste Management Solutions
- To ensure the safety of the machines and equipment.

C. The Bidder / Contractor

The Bidder is required to have the following qualifications:

1. The bidder/contractor should have an experience in 3Phase, 380V (Line to Line), 240V (Line to Neutral), Banking of Transformer electrical installations.
2. The bidder/contractor should have an experience in the erection of utility Electrical Poles with minimum coverage of 500 meters with medium to low voltage power lines.
3. The Bidder should have an experience in stringing of cables and provision of standard materials for insulation, guy wires and support for power lines.
4. The bidder/ contractors should have an experience in Grounding System including tools and test equipment for grounding works and shall provide safety tools, equipment, and personnel before and after the project.

5. The Contractor must have a qualified Electrical Engineer / Supervisor and must be available at site during working hours to ensure proper execution and supervision of work.

6. The bidder/supplier is preferably within Visayas area in order for the end-user to easily communicate in case of future concerns regarding the project.

D. The Requirements

➤ Scope of Works

The scope described and included in this project is for the supply of labor and materials. Moreover, all equipment and materials shall conform to the end user for quality assurance.

a. Mobilization and Demobilization

- Mobilization includes Building and Electrical Permits and Fees, all the preparatory work and operations necessary for the movement of materials, personnel, equipment, supplies to the project site. Demobilization includes the winding down, cleaning and clearing, removing of equipment, personnel and supplies from the construction site after completion.

b. Medium Voltage Construction

- Installation of Cross Arm to the Electrical Poles, Grounding and Anchor assembly.
- Laying of Single Loop Guy Wire with Pintype insulator, disc insulator / insulator suspension, strain and end clamp, ring / ball type machine, U-Clamp, Fuse link, Hot Clamp, Fuse Cut out, and Lightning Arrester.

c. Wires, Cables, Conduits and Boxes

- Laying of THHN Wires (5.5mm², 8.0mm², 14.0mm², 22.0mm², 30mm², 150mm²)
- Supply and Installation of PVC Conduits, Flexible Pipe, Utility, Junction Boxes and Pull Boxes

d. Panel Board , LVSG and ATS

- Purchase and installation of Panel Board and Low Voltage Switch Gear

PB-Septage: Main: 1-60AT 3P 400V VAC MCCB Branch: 6-20At 3P MCCB Bolt on type

MDP: Main: 1-300AT 3P 400V VAC MCCB with Voltmeter, hert meter Ammeter, Pilot light. Powder coated. Pre standing with NEMA3R enclosure, Branch: 2 -80AT 2P MCCB Bolt on type; 1-125At 2P MCCb bolt on type; 1-60AT 3P MCCB bolt in type; 2-100AT 2P MCCB; 1-100AT 3P MCCB; 1-30AT 3P MCCB; 2-40AT 2P MCCB; 1-30AT 2P MCCB; 2-30AT 3P MCCB

Main ECB: 1-300AT 3p MCCB 415V with NEMA3r Enclosure with Pilot Light

- Purchase and Installation of Automatic Transfer Switch (2-300AT ATS with Single and High Voltage relay with NEMA3R Enclosure).

e. Metering

- the winning bidder shall shoulder the expenses for all materials, wiring devices ,testing and calibration fees for the materials needed for power metering. Utilities company (NONECO) is the sole company to install the Power Metering works.

f. Steelworks

- involves cutting works for Steel and Welding Works.

g. Transformer

- Purchase and Installation of 3-75kVA Transformer 14.4kV/24.9kV/240-480 pole mounted Oil type

h. Grounding System

- Purchase and Installation of grounding System using 100mm² BCW 3/4 copper ground 3 meters exothermic welding kit Ground well including Grounding Testing and Reports

i. Vehicle,digging equipment and safety

- Digging of foundation for the erection of Electrical Poles
- Wire Tensioning Equipments.
- Provide safety tools, personnel and equipment

j. Powerhouse

- Construction of Powerhouse which includes Concrete Works, Masonry Works, Steel Works, Doors and Louvers, Painting Works and Electrical Works.

➤ **General Requirements**

- a. Construction safety protocols should be observed at all times during the duration of the project.
- b. All plans shall be supplied by the end-user.
- c. If there are any revisions as to original plan will require the winning bidder to submit as-built plans at no cost to the end user.

F. Delivery / Completion

Completion shall be within 200 Calendar days

G. Man Power Requirement

Manpower for the project shall be at least of the following;

- a. One Registered Electrical Engineer
- b. Skilled Laborers
- c. Manual Laborers

H. Warranty

One-year warranty of trouble free operation, test and maintenance of the complete work from the turn-over of the completed project.

I. Payment Scheme

The city has allocated a budget of Twelve Million, Seven hundred Forty six thousand Pesos (12,746,000.00Php) for the project. The winning bidder shall be paid in accordance with **R.A. 9184** and other relevant laws.
