SOCIAL PROFILE

4. SOCIAL PROFILE

4.1 PRESENT STATUS OF WELL-BEING

4.1.1 HEALTH

Facilities and Services

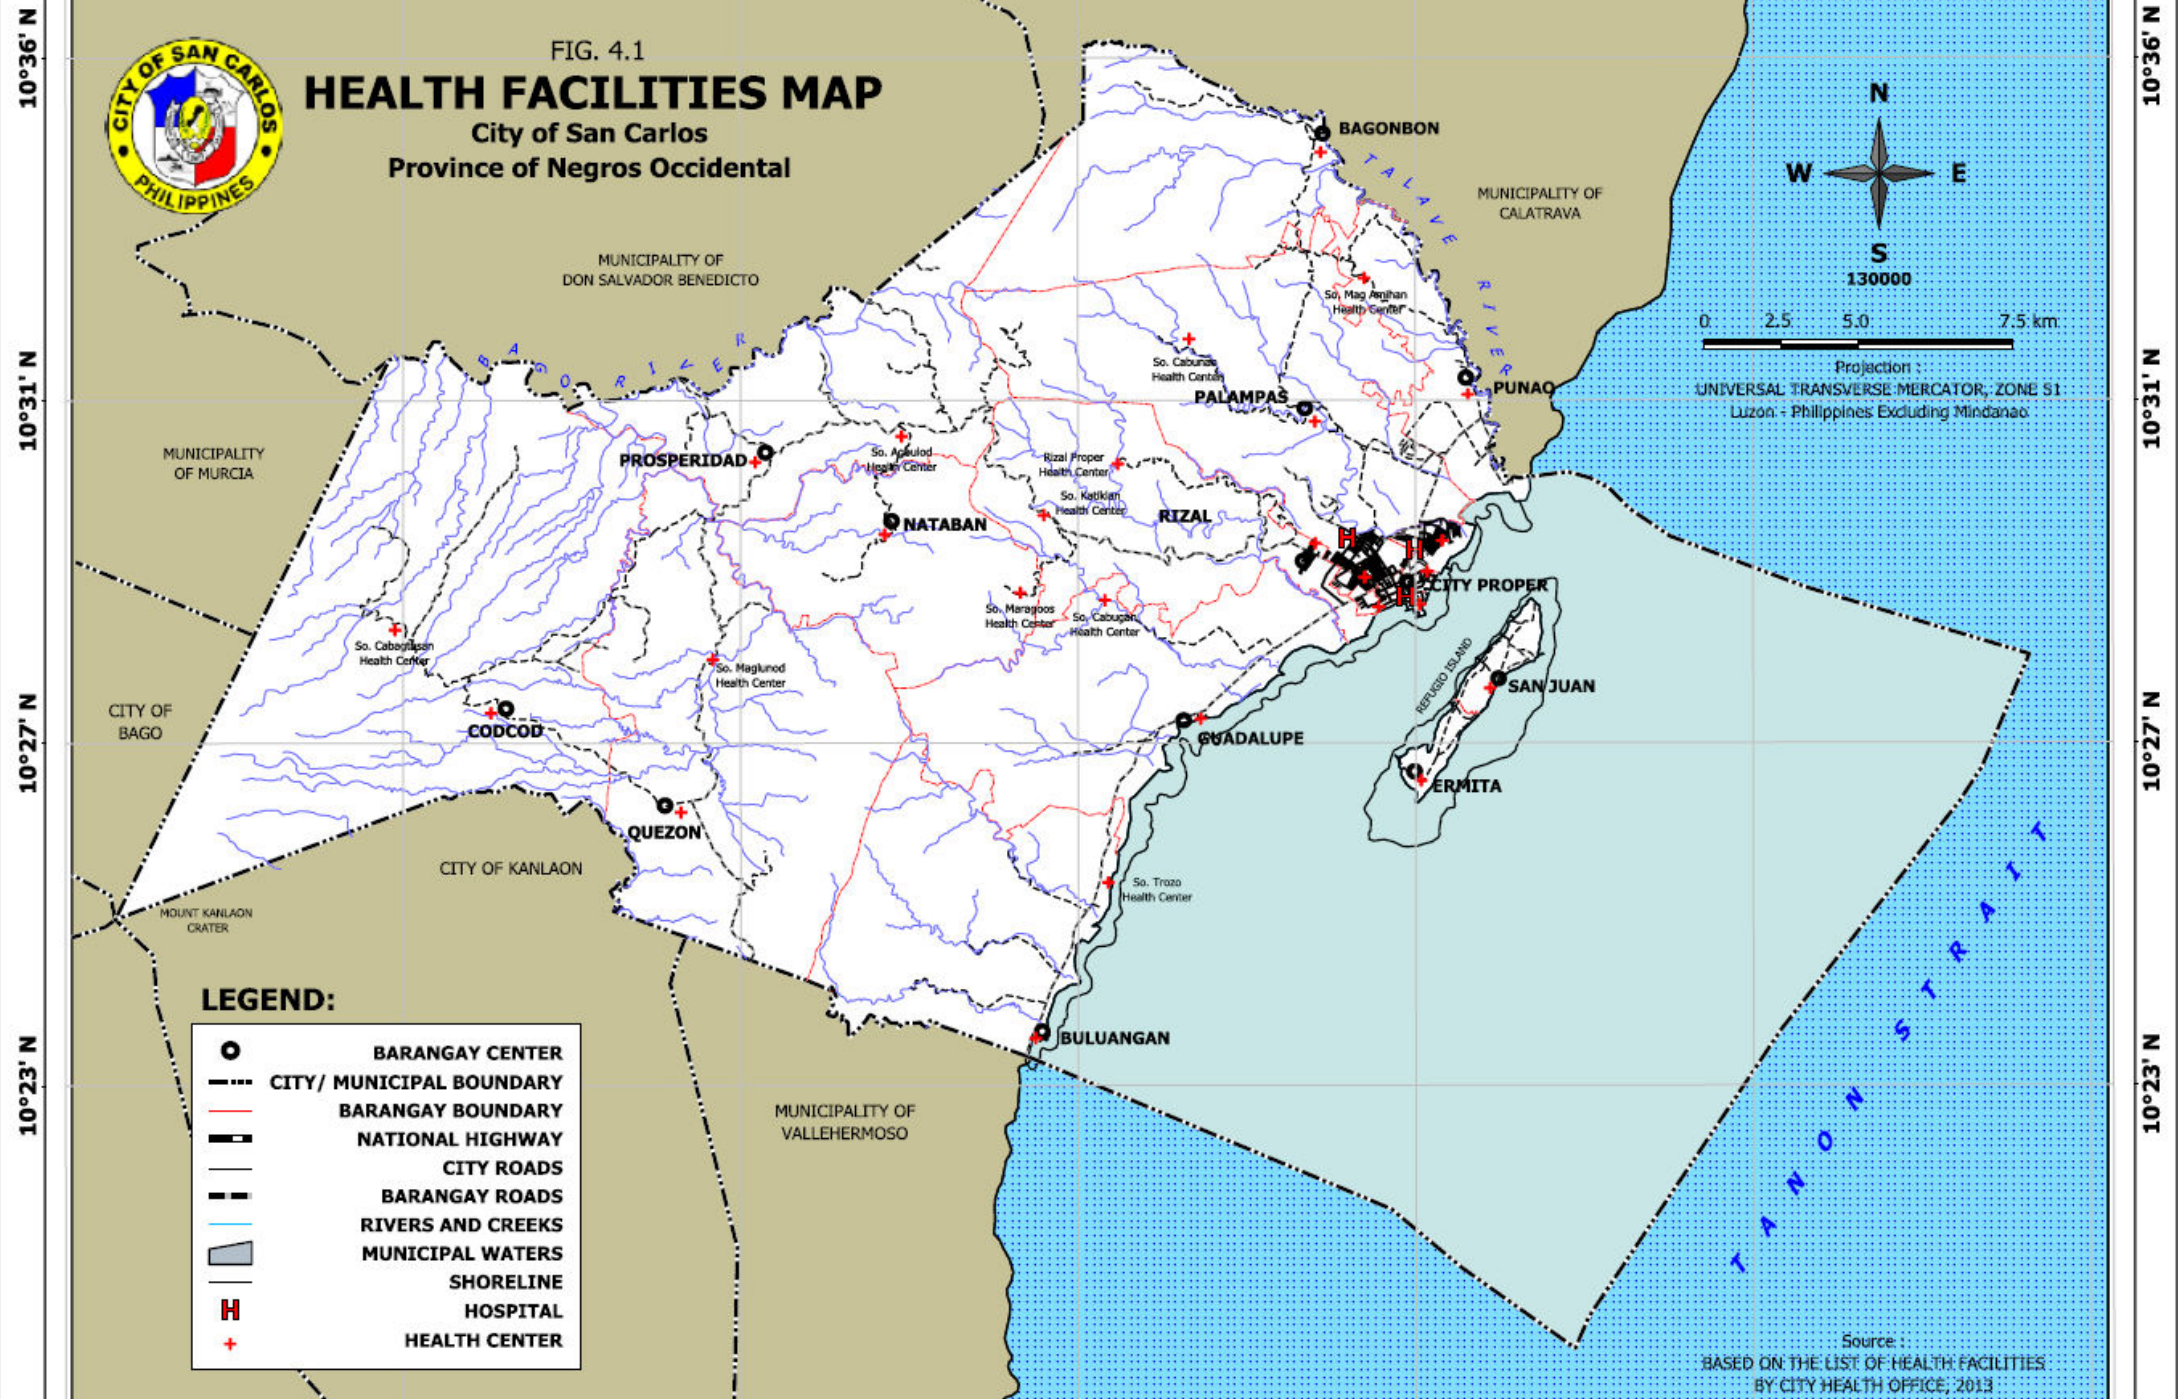

The Health Sector of the City is overseen by two (2) health facilities, which are owned and operated by the City Government. These are the City Health Office (CHO) and the San Carlos City Hospital (SCCH). These are supported by several privately-owned health care facilities. The health facilities map of San Carlos is presented in **Figure 4.1**.

- City Health Office

The CHO is located along Carmona Street and is occupying its own building. Its Main Health Center has complete laboratory to undertake services like sputum examination, CBC with platelet, urinalysis, gram staining, fasting blood sugar (FBS), fecalysis, skin slit smear, dental services as well as outpatient medical services. The facility is a certified “Sentrong Sigla,” issued by the Department of Health (DOH), and is accredited by Philhealth as a Primary Care Benefit Provider. The following is an enumeration of the facilities and services at the Main Health Center:

1. Medical Consultation (OPD)
2. Laboratory Services/Procedures:
 - a) Sputum Examination
 - b) Stool Examination
 - c) CBC
 - d) Urinalysis

The CHO's mandate is on the preventive aspects of public health delivery system. It has twenty eight (28) rural health centers evenly distributed both in urban and rural barangays of the City. All six Poblacion barangays have their respective rural health centers. The other health centers are located at the following:

- Guadalupe
- Buluangan
- San Juan
- Ermita
- Rizal (Algers)
- Nataban
- Prosperidad

- San Carlos City Hospital

San Carlos City Hospital started from a puericulture unit under the CHO. It was initially approved to operate as ten (10) bed-capacity clinic. In 1963, the authorized capacity was increased to

twenty-five (25) bed-capacity. In 1975, the hospital was separated from the CHO and was licensed as a primary to secondary hospital with a fifty (50) bed capacity.

SCCH is the only government hospital in the City and is entirely locally funded. It serves patients not only from San Carlos City but also from neighboring towns and cities like Calatrava, Toboso and Escalante in the north as well as Vallehermoso, Guihulngan and Canlaon from the south.

The hospital caters to patients in surgical, obstetrics and gynecology, general, pediatrics, anesthetic and dental medicine. It has seven (7) Medical Specialists and six (6) Medical Officers.

A new site is now being constructed in Barangay Palampas to cope with the increased number of admissions. The existing city hospital had an occupancy rate of 23% in 2011 and the estimated budget for 2012 was ₱67,886,730.00.

Experienced personnel are assigned in key areas. There are 74 regular employees; 24 from the Administrative Section; 37 from Nursing Service; 5 from Laboratory; 3 from X-ray; 1 Nutritionist-Dietitian and 4 from the Pharmacy. There are 95 job order employees.

- Privately-owned Health Care Facilities

The most notable of these is the 50-bed secondary grade San Carlos Doctor's Hospital located in Barangay I. The hospital has the following facilities: outpatient department, emergency room, pharmacy, laboratory, x-ray, ultrasound, operating room and delivery room.

There are also several private medical and dental clinics and pharmaceutical stores.

Health Profile

- Ten (10) Leading Causes of Morbidity (All Ages)

The top leading causes of morbidity in 2011 were all associated with the respiratory system. These are acute rhinitis (inflammation of the mucous membrane of the nose), acute upper respiratory tract infection (those affecting the nose, paranasal sinuses, pharynx, and larynx) and acute bronchitis (inflammation of the airways in the lungs). The same pattern may also be observed in 2010 reports. The following table presents the ten leading causes of morbidity for all ages in 2010 and 2011.

- Nutritional Status

Only 14.6% of children aged 0 – 71 months were determined below normal weights or malnourished. This is due to the CHO's close monitoring and monthly weighing of children, health education to mothers, milk feeding program, supplemental feeding and other interventions. Barangay VI, V and Buluangan had the highest prevalence rates of underweight children.

4.1.2 SOCIAL WELFARE

The Social Welfare of the citizens of San Carlos City is being managed by the City Social Welfare and Development Office (CSWDO). The main objective of the CSWDO is to provide a comprehensive program of social services designed to enhance the social and economic development of individuals, groups and families particularly the most disadvantaged, the economically needy, the socially needy and the handicapped, to obtain a more meaningful, productive and satisfying way of life and ultimately enable them to become self-reliant and participate in national development.

In providing enough for those who have none, the programs of the CSWDO are guided mainly by the principle of human dignity and the rights of self- determination. To be able to carry out its vital task, the office draws its financial, material and human resources mainly from the local government and also from the national government, non-government organizations and the private sector involved in welfare work.

Social Welfare Programs and Services

- Family and Community Welfare Program

- Parent Effectiveness Service (PES)

To help parents and parents' substitutes assume the major educational role in their children's' rearing and development, PES sessions have been conducted in Barangays Buluagan, Punao and Guadalupe here there were 110 participants. The following table presents information on the number of PES graduates by barangay from 2009 to 2011.

- Pre-Marriage Counseling Service (PMC)

Pre-Marriage Counseling sessions are conducted every Friday afternoon for those intending to get married and whose ages are 24 years old and below. This is usually done as a group. However, when one's partner is a foreigner, a separate session is done where additional topics are discussed like understanding cultural differences. The office has three (3) counselors; one is already accredited while the other two are still on process.

In 2009, the office served 496 couples in this program. The number increased to 698 couples in 2010, then decreased to 473 in 2011.

- Social Services to Solo Parents

The Solo Parents Welfare Act of 2000 was enacted in order to develop a comprehensive program for solo parents and their children to be carried out by various government agencies

and other related non-government organizations. Some of the cases in the City are mothers and fathers who are government employees while others are single parents.

The table below shows the number of enrollees to the program from 2009 to 2011. The year 2011 recorded as the highest number of enrollees with 18 females and three males or a total of 21 enrollees. These enrollees were given the following services: (1) Issuance of Solo Parent ID, (2) Counseling; and (3) Referral to other agencies.

- Women Welfare Program
 - Enhancement on Women

To provide opportunities for the enhancement of disadvantaged women, sessions on social skills development, maternal and child care, early childhood disorders and growth monitoring and promotion of nutrition, environmental sanitation and community participation help disadvantaged women in enhancing themselves as members of the family and community. Sessions are composed of six modules and are conducted to women groups.

- Women Protective Custody

This program was created in order to provide an environment to uphold, enhance and promote the total well-being of the disadvantaged women and children. This is followed by a service of counseling and family therapy. The program's objectives are:

- a. to provide immediate/temporary shelter and care to women in especially difficult circumstances and to sexually abused and exploited children;
 - b. to provide proper assessment and diagnosis in order to effect efficient referral and follow up services; and
 - c. to provide the necessary intervention/services while under the CSWDO's custody
- Child and Youth Welfare Program
 - Day Care Service Program

Day Care Service is an arrangement whereby a Day Care Worker provides supplemental parental care to the child who may be abandoned during part of the day where parents cannot attend to the needs of the child, or the child may be neglected or abused. Part of the program is working with parents to capacitate them as partners in the care and development of the young children, and in the maintenance of the Day Care Center. The following table presents the number of enrollment in the City's day care centers from 2009 to 2012.

- Feeding Program for Malnourished Children

Supplemental feeding is to correct the state of malnutrition of underweight preschool children of low income families through milk feeding and food supplement. Regular feeding is being conducted in 72 Supplemental Feeding centers in all 18 Barangays. These involve feeding solid food and fresh carabao's milk.

- Child Protective Custody

A social worker or police officer can place a child into protective custody if they believe immediate action is needed to protect a child from abuse or neglect or if a child's health or welfare is in danger. These children are temporarily placed at the Women and Children's Crisis Center.

- Children in Conflict with the Law (CICL)

In accordance with Republic Act No. 9344 or the Juvenile Justice and Welfare Act of 2006, the City has a Guidance Center for Minors located at the Reclamation area. The center serves as shelter for Children in Conflict with the Law (CICL). The approach towards these children is through rehabilitation rather than punishment in line with the government's thrust towards the reintegration of youthful offenders into the mainstream of society.

The City provides a package of rehabilitation services through its residential care facilities. These services include psycho-social care, health, recreational and spiritual enhancement:

- a. Legal protection for CICL
- b. Counseling Services / Family therapy
- c. Assist court hearings

The following table presents information on the number of reported cases involving CICLs from 2009 to 2011.

- Implementation of Curfew for Minors

The Curfew for Minors per Ordinance No. 09-01 was implemented on March 12, 2009. The Ordinance was complemented with a Curfew Center to serve as a temporary shelter of curfew violators. Curfew violators are given lectures, made to do various activities as designed by the CSWD, and are made to undergo therapy, spiritual upliftment sessions and supervised table games before they are turned over to their parents or guardians. In the case of repeat offenders, the same procedures are applied and, in addition, they are required to give community service like street cleaning at designated public places and other tasks.

Records show that, as of September 2009, the number of minors apprehended was 121 wherein 36 are school children and 85 were out of school.

- Unlad Kabataan Program through Organization of Pag-asa Youth Association of the Philippines (PYAP)

The various Pag-asa Youth Associations in the City is composed of 2,480 out of school/in school youth and youth with disabilities ages 15-24 years old.

- Children's Programs and Activities

These include the Special Program for Employment of Students (SPES) where children are initiated on employment activities. These include clean up drives, survey of Overseas Filipino Workers (OFWs), tree planting activities, literacy musical activities, medical mission, capability building programs, sports development program, etc.

- **Healthy Start Project**

This program is not just a community-oriented initiative that provides services to at-risk families but also focuses on the development of a child between 0-3 years old in such at-risk household. The Program engages the whole family. Of the total enrolled families, there is 100% immunization of Healthy Start Babies. The City sustained the project by appropriating ₱561,960.00 per year under the Country Program for Children. The following table presents information on the number of families involved in the Healthy Start Project from 2009 to 2011.

- Programs for Senior Citizens

There are a number of programs that the City has implemented for the care of Senior Citizens. In accordance with Republic Act No. 9994 or the Expanded Senior Citizen's Act of 2012, the CSWDO assists the Office of Senior Citizens Affairs in its services particularly in the processing of the Local Identification Card. For the year 2011, the office has issued a total of 948 IDs. A total of 4,758 Senior Citizens had been issued with IDs since 1990.

Burial assistance is also extended to families of the next kin who facilitate the burial processes of the senior citizen holder. The City has allocated an amount of ₱3,000.00 per member. The following table presents information on the number of beneficiaries of the said program from 2009 to 2011.

- Programs for Persons with Disabilities

There are a total of 384 persons with disability (PWD) enrolled at the Nabinkalan Association of Persons with Disability. They are entitled to the following programs and services:

- Disability prevention
- Assistance for physical restoration for disabled persons
- Survival communication skills development for disabled person
- Self-enhancement service for disabled persons
- Social enhancement for disabled person
- Family Care
- After-care and follow-up services
- Substitute family care
- Referral

- Emergency Assistance Program

Services ranging from financial assistance and emergency relief food are rendered by the City Government to meet the most urgent needs of distressed individuals facing crisis and multifarious problems.

- Medicare Para sa Masa Program

A total of 8,943 qualified indigents from the 18 barangays of the City were enrolled under the Sponsored Program of Philhealth amounting to ₱5,365,800.00.

- Other Programs and Services (Best Practices)

- Mobile Education for Street Children

This program was implemented on January 25, 2010 to address the problem of street children by bringing the school to them if they are not able to attend school. Social Welfare Workers hold informal classes for these children from Monday to Friday, every afternoon at the City Public Plaza for two and a half hours. They conduct sessions using audio-visual equipment and other child-friendly educational materials. The City Government has provided a multi-cab intended for the project in order to reach out to other children in other places where they used to stay like Gaisano Capital Ground or at San Carlos Public Transport Terminal to ensure the speedy delivery of basic social services to these children. **The following table presents the number of street children enrolled in the said program during school years 2010-2011 and 2011-2012.**

- *“Bida Best ka Bata” Project*

This program was launched on December 8, 2011 and it addresses youth offenders or CICL in the City. This program promotes the four rights of children: survival, development, protection and participation. The minors are gathered every day, fed, given informal education, values formation and skills training and provided with restorative care including peer counseling. At present, twenty (20) CICLs with different cases have been gathered.

- Pantawid Pamilyang Pilipino Program (4P’s)

The Pantawid Pamilyang Pilipino Program (4 Ps) has 6,601 beneficiaries in all 18 barangays. This is a poverty reduction and social development strategy of the national government that provides conditional cash grants (CCT) to extremely poor households to improve their health, nutrition and education particularly those of children aged 0 to 14 years old.

4.1.3 EDUCATION

The Schools Division of San Carlos City was established on July 1, 1960 by virtue of Republic Act No. 2643. It is one of the seventeen (17) Schools Divisions of Region VI- Western Visayas and is also one of the high-performing divisions in terms of basic education.

Addressing the educational needs of its populace, the Division is composed of five (5) elementary school districts with fifty-nine (59) elementary schools, five (5) national high schools and seventeen (17) private schools. The latter is composed of nine (9) pre-schools, two (2) elementary with pre-schools and six (6) secondary schools. There are also four (4) colleges, one (1) computer vocational school and one (1) technical-vocational (Tech-voc) with TESDA accreditation.

The Offices of the six (6) School Districts, including public secondary schools, are found in the City with one central school. One district is composed of seven (7) to sixteen (16) schools comprising different far-flung schools in the mountain and three (3) island schools.

Educational Attainment and Literacy Rate

The national Literacy Rate is 93.4% according to the 2007 figures estimated by UNESCO Institute for Statistics in September 2008. In the case of San Carlos City, it is 94.06% which is slightly above the national average. The following table presents some of the indicators in education in San Carlos.

TABLE 4.16: ACCESS TO EDUCATION

4.1.1 RECREATION AND SPORTS FACILITIES

The Center Mall is a focal point of recreation in the City. Located in new Central Business District in Barangay Palampas, the Center Mall features wide landscaped boulevards and open spaces, Acacia Kiosks, and restaurants. With its wide open space, the Center Mall has become the usual venue of the City's various carnivals, agri-industrial fairs, and street parties. It is also a sports and recreation area with facilities for football, jogging, biking and tennis. It is also the center of night life in the City with its al fresco dining and restaurant areas.

The People's Park, which was built from reclaimed land in the City Proper, is another major recreational center. Its facilities and amenities include a watchtower, freshwater swimming pool, children's playground, kiosks, gazebos, promenades, picnic areas, pavilions, outdoor café and miniatures of the City's main establishments. The park also affords a scenic view of Refugio Island.

Other recreational facilities in the City include, among others, multi-purpose covered courts, tennis court, boxing gyms and concrete pavements with basketball goals in the City. The following table shows the number and location of these by barangay.

4.1.1 PROTECTIVE SERVICES

Peace and Order

The Philippine National Police (PNP) reported having 66 personnel in 2010. The police to population ratio during the same year was estimated at 1:2,023.

Crime volume in year 2010 reportedly totaled 40. This was a significant decline from the 106 recorded in year 2000. The use and possession of illegal drugs was the most common type of crime in 2010. Following the overall declining trend in crime volume, the nine cases recorded in 2010 was a significant improvement from the 23 recorded cases in 2000. The following table presents the type and number of crimes recorded in 2000 and 2010.

Fire safety

The Bureau of Fire Protection (BFP) reported having eight firefighting personnel in 2010. The BFP has four fire trucks, three fire pumps, three water tankers and one service vehicle. The fire station is owned by the City Government and is located at the City Proper.

There were 41 fires reported and two occasions where flood rescue were required in 2011. The BFP reported a response time of one minute after verification of a fire call.

Disaster Management

By virtue of the Executive Order No. 43 Series of 2011, the City Disaster Risk Reduction and Management Council was created pursuant to the provisions of the Philippine National Disaster Risk Reduction and Management Act of 2010, otherwise known as Republic Act 10121.

The Office of the City Mayor further issued Executive Order No. 58 Series of 2012 as it reorganized the Council to comply with the composition its membership as required in the Act. Subsequently, the City Disaster Risk Reduction and Management Office (DRRMO) was created through the issuance of Executive Order 58-A Series of 2012.
